

EXPLORERS 2-DAY

Ages 4-5, \$52 per participant

Session 1: June 22-23, 2020 - Animals & Insects

Session 2: July 6-7, 2020 - Rocks & Volcanoes

Session 3: July 20-21, 2020 - Animals & Insects

Session 4: August 3-4, 2020 - Rocks & Volcanoes

Join us for two days of exploration! Learn about local plants, animals, rocks and water with our Explorers camp. Pick between Animals & Insects or Rocks and Volcanoes. Discover a whole new world with us this summer!

Packing List:

Day Pack / Water / Sunscreen / Bug Spray / Hat / Sunglasses / Snacks
Sturdy Walking Shoes / Jacket

Schedule:

Monday

9:00AM: Meet at REC ZONE, orientation and meet and greet. We will meet our counselors for this camp.

9:35AM: A small excursion to Mammoth Creek Park to explore with themed scavenger hunts or nature bingo.

10:30 AM: Snack and water break.

11:00AM: Look for real life examples corresponding to our themes followed by an adventurous walk back to the Rec Zone.

11:30 AM: Play themed games.

NOON: Pick up

Tuesday

9:00AM: Meet at REC ZONE and depart to Horseshoe Lake or Inyo Craters.

9:15AM: Brief talk about safety, rules and mission before setting out on our hike.

9:30AM: Explore this new area looking for more examples and discussing our theme in this new environment.

10:30AM: Cool off in the shade, water and snack break.

11:00AM: Begin the walk out.

11:30AM: Drive back to REC ZONE.

NOON: Pick up
