

Mammoth Yosemite Airport (MMH) - Noise Abatement Procedures

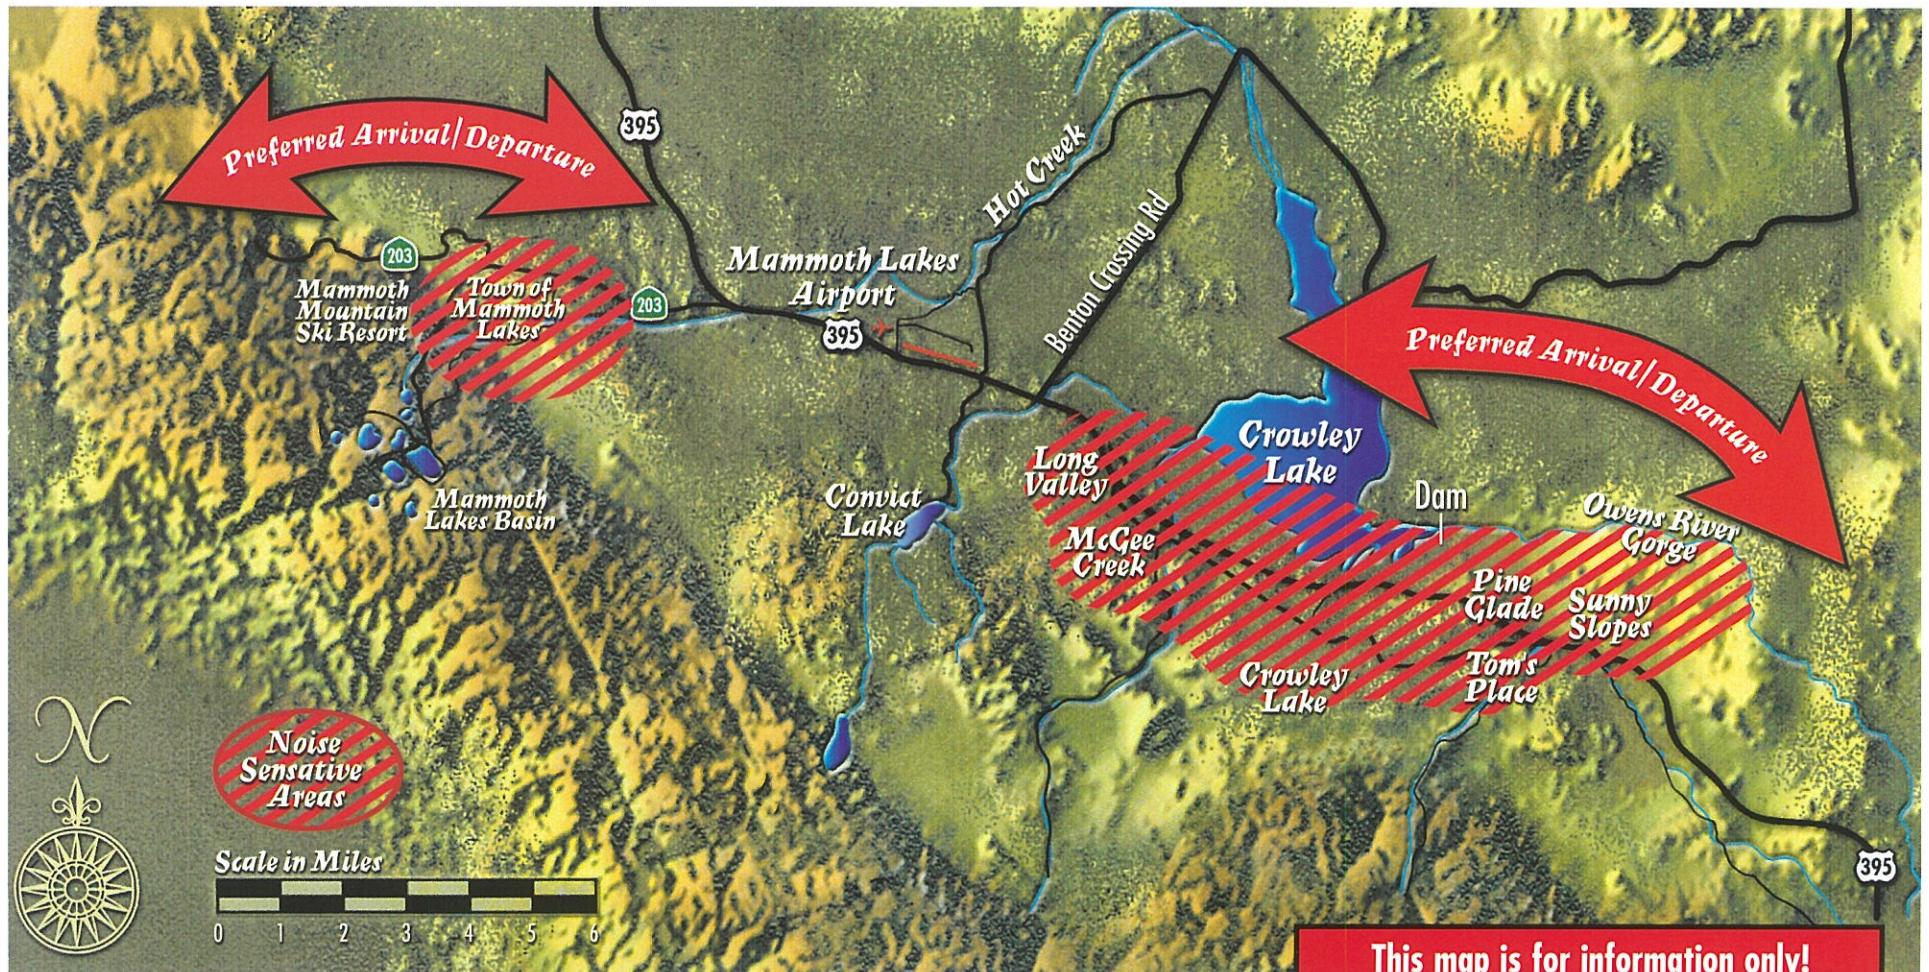

Please avoid noise sensitive areas in order to preserve our neighbors highly valued sense of mountain serenity.

Aircraft arriving from and departing to the West:

Avoid the Town of Mammoth Lakes and the Lakes Basin by crossing Mammoth Pass north of Mammoth Mountain.

Aircraft arriving from and departing to the Owens Valley:

Fly well out over Crowley Lake. Remain north of Owens River Gorge and Crowley Lake Dam in order to **avoid flying HWY 395** and its adjacent communities of Tom's Place, Sunny Slopes, Pine Glade, Crowley, McGee and Long Valley.
