APPENDIX 11.3

CULTURAL RESOURCE STUDIES

A *Phase I Cultural Resources Study* (Phase I Cultural Study), and *Phase II Cultural Resources Report* (Phase II Cultural Study), were prepared for the proposed project by Rincon Consultants, Inc. (Rincon). These reports are dated September 28, 2016 and December 1, 2016, respectively.

The Phase I and Phase II reports contain sensitive and confidential information concerning Native American site and component locations and are not for general distribution. Archaeological site locations are exempted from the California Public Records Act, as specified in Government Code 6254.10, and from the Freedom of Information Act (Exemption 3), under the legal authority of both the National Historic Preservation Act (PL 102-574, Section 304[a]) and the Archaeological Resources Protection Act (PL 96-95, Section 9[a]). Sections of the reports contain maps and other sensitive information. Should any individuals request to review these reports, they should contact the Town directly for consultation. The covers and table of contents of these reports are included in this Appendix.
