News from the Town Manager

Town Council Meeting – June 7

The next regular meeting of the Mammoth Lakes Town Council has been scheduled for Wednesday, June 7, 2017 beginning at 6:00 p.m. in Suite Z. Visit the [Streaming Media Archive](#) to review the previous meeting minutes or view the webcast Town Council meeting.

Commission/Committee Meetings

- June 6 Recreation Commission Meeting, Suite Z, 9:00AM
- June 14 Planning and Economic Development Commission, Suite Z, 2:00PM

ESTA Proposing To Discontinue Old Mammoth Limited Route

Based upon very low ridership the past four months on the Old Mammoth Limited route, Eastern Sierra Transit is proposing to discontinue this route effective June 24, 2017. Public comment regarding this proposed service change will be accepted through June 9, 2017. Comments can be submitted via U.S. mail to Eastern Sierra Transit, P.O. Box 1357, Bishop CA, 93515, via email to info@estransit.com, or delivered in person to ESTA's office at 210 Commerce Drive in Mammoth Lakes. Thank you for your interest in this transit service.

Town Clean Up Day and 'Spring Meltout Celebration' - June 3

Take pride in your neighborhood and volunteer to help clean-up our town on Saturday, June 3, 2017 from 8:00am to 2:00pm. Join us following for a 'Spring Meltout Celebration' from 2:00-5:00pm at the Sierra Nevada Resort and Spa. This is a free event for anyone that pitched in and grabbed a bag to help make our community beautiful!

Complimentary orange trash bags are now available for collection (max. 5/person) from the Town Offices located above Giovanni's in the Minaret Village Mall (437 Old Mammoth Road) or at the Mammoth Disposal Transfer Station (59 Commerce Drive).

Beginning at 8:00am on June 3, drop off your trash, recycling, or green waste at the TOWN CLEAN-UP DAY STATIONS conveniently located throughout town. Stations are located at the Community Center (1000 Forest Trail), Sierra Valley Sites (407 Manzanita), and the Mammoth Disposal Transfer Station (59 Commerce Drive). Please note: large bulky items (refrigerators, mattresses, etc.), metal items,

hazardous household items, or e-waste (TV's & electronics) must be taken to the Mammoth Disposal Transfer Station at 59 Commerce Drive. The Mammoth Lakes Fire District will also be chipping tree limbs (less than 12" in diameter) on site at the Transfer Station from 8am-2pm. Do not leave bags on the side of the road as they will not be collected.

Town Clean Up Day information, maps and complimentary bags will also be available for collection from Mammoth Creek Park on June 3 between 8:00am and noon.

The Town encourages property owners, renters, community groups, local non-profit organizations, and homeowner associations to engage their constituents and pitch in to clean-up their neighborhood on Saturday, June 3. A bag a person really helps!

Town Clean-Up Day is proudly supported by the Town of Mammoth Lakes, Mono County, Mammoth Disposal, Sierra Conservation Project, United States Forest Service, Mammoth Lakes Fire District, Mammoth Mountain Ski Area, Mammoth Lakes Chamber of Commerce, Disabled Sports Eastern Sierra, Mammoth Lakes Board of Realtors, The SHEET, Mammoth Times, Sierra Wave (Alt 92.5) and KMMT.

For additional information about Town Clean-Up Day, or to arrange for collection of abandoned vehicles, please contact Sherine Sanders at (760) 965-3636.

The Town thanks you in advance for taking pride in your community and we will see you on Saturday, June 3 for Town Clean-Up Day.

Vacancies on Mammoth Lakes Mosquito Abatement District

There are currently five vacancies for expired terms for the Mammoth Lakes Mosquito Abatement District to be filled by appointment of the Mono County Board of Supervisors. These five vacancies are for members of the Board of Trustees, which are appointed at-large for either two or four year terms at the Board of Supervisors' discretion, and will serve without compensation.

Qualifications for appointment:

- Voter in Mono County and resident of portion of Mono County within District;
- A member of town council may be appointed if meets other qualifications;
- Experience, training, and education in fields that will assist in the governance of the District; and
- Represents interests of the public as a whole.

Individuals interested in serving on the Mammoth Lakes Mosquito Abatement District Board of Trustees should submit an application to the Clerk of the Mono County Board of Supervisors, P.O. Box 715, Bridgeport, CA 93517. You may obtain an application by contacting the Clerk's office at (760) 932-5534 or by visiting our web page.

Posted: 5/22/17 at Mono County Clerk's Office, Bridgeport Library, Mammoth Library, and www.monocounty.org/bos; also sent to newspaper for publication on 5/22/17. Please review the vacancy notice: <http://www.mono.ca.gov/bos/page/special-district-vacancy-notice>.

TV 51 has moved!

The Town's dedicated channel, TV 51 has moved to Channel 18. The move was necessitated by Suddenlink and their local programming needs. TV Channel 18 will still continue to provide access to all the Town's meetings with live and taped coverage of Town Council, and advisory body meetings such as the Planning and Economic Development Commission and Recreation Commission. For meeting dates and times, please visit: www.townofmammothlakes.ca.gov.

Projected Average Resort Occupancy

Friday, June 2, 2017	52%
Saturday, June 3, 2017	56%
Sunday, June 4, 2017	34%
Monday, June 5, 2017	40%
Tuesday, June 6, 2017	47%
Wednesday, June 7, 2017	46%
Thursday, June 8, 2017	46%
Friday, June 9, 2017	68%
Saturday, June 10, 2017	73%
Sunday, June 11, 2017	54%

If you're a lodging property and would like to sign up to report your numbers, please contact John Urdi at JUrdi@visitmammoth.com or (760) 934-2712 ext. 1259

Please remember that the projected occupancy is calculated in order to assist the business community with staffing levels and product ordering. The actual occupancy percentages are reported from the lodging industry to the Town of Mammoth Lakes Finance Department.

Community News

Beware of Deer on the Roads

The California Department of Transportation (Caltrans) would like to notify motorists that deer are out and about in the Eastern Sierra. Due to the snowy conditions, deer are venturing out onto the roadways to escape from the snow. Motorists should watch for deer as they are commuting especially during the dawn and dusk times of the day. Slow down and be vigilant!

Ways to Prevent a Collision with a Deer:

1. Slow Down. Motorists should take it slow especially with the low temperatures and icy conditions.

2. Watch for the rest of the gang. Deer are pack animals, and rarely travel alone. If a deer crosses in front of you, chances are there are more nearby. Slow down and keep an eye out for more deer darting across the road.
3. Timing is everything. Deer are most active at dusk and dawn: periods when your vision is most compromised. Slow down and stay alert, especially after dark.
4. Wear your seatbelt. It may not prevent a collision, but if the inevitable happens a seatbelt can reduce injuries.
5. Look. First, look for the road signs. The yellow diamond shaped signs with the deer on it are placed in high-traffic areas for deer. You may also spot a deer because their eyes will brightly reflect a car's headlights, making them easier to spot.
6. Stay Center. On a multi-lane road, the center lane is your safest bet for avoiding a deer collision, as long as your local traffic laws permit it. This gives deer plenty of space; and in case your vehicle does startle them, it gives you more time to react if one darts onto the road.
7. Stay the course. If you see a deer, brake firmly and calmly, and stay in your lane. Swerving could make you lose control of your vehicle and turn a bad situation much worse. Not to mention, deer are unpredictable, and you could swerve directly into their changed path.
8. Honk! Some experts recommend that one long blast of the horn will scare deer out of the road. Do not rely on hood whistles or other devices designed to scare off deer — studies have shown them to be largely ineffective at minimizing traffic incidents.

What to do if you hit a deer.

1. Pull to the side of the road as soon as it is safe to do so.
2. Turn on your hazard lights and remain in the vehicle until you are sure it is safe.
3. Call emergency services if injuries are involved or the local police for property damage.
4. Stay away from the deer. If it is still alive, it could be confused, injured and dangerous if approached. When contacting the authorities, let them know if the deer is in a dangerous spot on the road so that it can be removed.

For more deer migration information visit the Caltrans District 9 webpage: <http://www.dot.ca.gov/d9/deer.html>

Seasonal Pass Opening Status – June 1

The California Department of Transportation (Caltrans) District 9 continues to work on clearing snow, removing rocks, and repairing its eight highways with seasonal closures. As work progresses, pedestrians, bicyclists, skiers, etc. are advised to stay out of these areas. Safety is our number one priority, for the public as well as Caltrans' workers.

This is the District 9 Seasonal Pass Status as of Thursday, June 1, 2017:

State Route 108 – Sonora Pass

Crews continue to remove snow and are approximately 1 mile from the summit on the east side and about 2 miles from the summit on the west side. The snowpack is estimated to be 12 to 15 feet on the highway. There is no estimated date for reopening the highway at this time.

State Route 120 West – Tioga Pass (from the Junction of US 395 to the Yosemite National Park Gate)

Crews have removed snow up to ½ mile from the Yosemite National Park east entrance gate. The snowpack is estimated to be 12 to 15 feet at the entrance gate. There is no estimated date for reopening the highway at this time. Yosemite National Park is clearing Tioga Road which is inside the park boundary.

State Route 203 - From the Mammoth Mountain Parking Lot to Minaret Vista

Snow removal will begin on June 12, 2017. There is no estimated date for reopening the highway at this time.

State Route 270 – Bodie Road – Opened May 15, 2017

State Route 89 – Monitor Pass – Opened May 8, 2017

State Route 168 West – Bishop Creek – Opened April 24, 2017

State Route 120 East – Mono Mills – Opened April 14, 2017

State Route 158 – June Lake Loop – Opened April 14, 2017

All information is subject to change due to weather conditions.

For the latest highway information please visit the Caltrans QuickMap site at quickmap.dot.ca.gov or call the Road Condition Hotline at 1-800-427-ROAD (7623).

The State of the Inyo – June 2

Mono Lake Ranger District

Roads open: Monitor Pass (Hwy 89), Bodie (Hwy 270), Lundy Canyon, Panum Crater, Hwy 120 E (Benton), June Lake Loop (Hwy 158), Parker Lake Rd.

Mammoth Lakes Tourism for a Community Open House – June 15

This is not your average open house! Plan to have meaningful one-on-one conversations with the MLT staff about how the town's marketing investment is working for you.

What: Learn more about Mammoth Lakes' marketing investment plan and results, and the free programs available to local businesses

Date: June 15, 2017

Time: 4-7 pm

Where: Brewer's Hall (upstairs at Mammoth Brewing Company)

Light refreshments will be served

MLPD Dog Licensing Clinic – June 17

On Saturday, June 17, from 3:00 to 4:30 PM, the Mammoth Lakes Police Department will be renewing Town of Mammoth Lakes dog licenses for the upcoming fiscal year and offering discounted vaccinations and microchipping. Dr. Gaylon TeSlaa and the staff of Alpen Veterinary clinic will be on hand with low cost vaccinations and microchipping for both dogs and cats.

California law requires all dogs over the age of 4 months to be licensed and vaccinated against rabies. If you live within the limits of the Town of Mammoth Lakes, you are required to license your dog.

If your dog does not need a rabies update, you may purchase just the required license - \$20 if your animal is spayed/neutered; \$50 if they're unaltered. Please bring proof of spay/neuter and current rabies vaccination (if applicable). Discounted microchipping will also be available for \$10. If you are paying by check and will be purchasing a license and vaccinations, please remember that you will be paying two separate bills.

For everyone's safety, your dog must be leashed and your cat in a carrier. If your animal doesn't do well with others, please leave them in your car until you complete the paperwork and the vet will come to your vehicle to administer the shots.

You may now purchase 2017-18 TOML dog licenses at the MLPD Business Office Monday through Friday, 8 AM to 4 PM. Please bring proof of spay/neuter and current vaccinations.

For further information, contact Hannah DeGoey at (760) 965-3702 or hdegoey@townofmammothlakes.ca.gov.

Mammoth Mountain Cross Country Mountain Bike Team – July 1

Join the Mammoth Mountain XC MTB Team this summer. Season starts July 1 and literally rolls through October 15. Our team is composed of high school and middle school athletes of all abilities. Our goal is to get kids out riding bikes with their friends in the eastern sierras. We strive to create lifelong cyclists and have a focus on enjoyment of rolling on two wheels! Ride leaders and assistant coaches encouraged to join. Please contact Pam Lonza at Mammoth Mountain to obtain more information and register for the team. Her number is 760-934-0795 or email at plonza@mammothresorts.com

Parks and Recreation Department Highlights

Registration For Our Summer Programs Is Now Open

Registration can be completed at the following URL: <https://apm.activecommunities.com/mammothrecreation/Home>. To view program offerings, click on the "Activities" tab. In order to register, you will need to create an account. To create an account, follow the link on the upper right hand side of the page for "Create an Account." If you have any additional questions, or need assistance with creating your account online, please contact Lindsey Lyon at (760) 965-3699 or llyon@townofmammothlakes.ca.gov.

Whitmore Pool Open for Lap Swim & Adult Stroke Improvement Classes

The Parks and Recreation Department is pleased to announce the start of Adult Stroke Improvement Classes at Whitmore Pool. The classes are held every Thursday from 5:30-7:00pm at the pool, and are only \$10 per session. Come out and improve your strokes with our professional swim instructors.

Lap Swim at Whitmore Pool (Benton Crossing Road) began on Monday, May 8. While public swim will not start until June 17 (Free Swim Day!), Lap Swim is offered Monday through Friday from 6:30-8:30am, with evening sessions offered on Tuesdays and Thursdays from 5:30-7:00pm. Please note that Whitmore Pool will be closed on July 4th, 2017 in observance of Independence Days. For more information, please contact the office at (760) 965-3699.

Public Service Announcements

Town Installs Hawk Signal in The Village

The Town of Mammoth Lakes has installed a High-intensity Activated Crosswalk (HAWK) to improve pedestrian safety at the Minaret Road crosswalk adjacent to The Village. The HAWK signal is a pushbutton-activated pedestrian signal designed to aid pedestrian crossing at a mid-block crosswalk and reduce the amount of delay for vehicles. The HAWK signal differs from conventional traffic signals because it only becomes operational when activated by a pedestrian, allowing for normal traffic to flow unimpeded until pedestrians need to cross and minimizes wait time for vehicular traffic. Data suggests the pedestrian activated safety devices led to a 29% reduction in total crashes, a 69% reduction in pedestrian crashes, and a 15% reduction in severe crashes (2010 FHWA before-and-after study).

What Drivers Should Know: Pedestrian hybrid beacons are only activated by pedestrians wishing to cross a street press the signal button. If the lights of the beacon are dark, vehicles can proceed through the crosswalk. Flashing yellow lights usually last around three seconds, during which the driver should prepare to stop. A solid yellow light indicates the driver must stop. Once the light turns red, pedestrians will cross. Flashing red lights indicate that if there are no pedestrians in the walk, the driver may proceed through the walk with caution. After the flashing red lights, the signal will go dark again, and vehicles may freely pass through the intersection again. Additional information may be found at the Town of Mammoth Lakes Offices, 437 Old Mammoth Road, Suite R or on the website.

Town Of Mammoth Lakes Updates Phone System Taking Advantage Of Digital 395

The Town of Mammoth Lakes is excited to announce that the aging old analog phone system has been upgraded to a new digital Voice over Internet Protocol (VoIP) system. The introduction of Digital 395 into our community allowed the Town to benefit from a robust fiber-optic network which provides connectivity between Town facilities. The network provides the opportunity to leverage Voice over Internet Protocol (VoIP) based communication to replace the aging phone system, which not only offers better connectivity in a modern and maintained system, but also reduces costs.

The new phone system will offer a significant improvement in functionality and ease of use for Town staff while providing more efficient integration between all seven of the Town's facilities, offering staff the ability to call any employee at any location simply by dialing the extension. Additionally, the system will provide a variety of options for call handling and routing, voicemail, auto-attendant/phone tree options, and mobility. All of these enhancements will greatly help Town staff with their day-to-day responsibilities of serving the public and providing high quality customer service. Improved access to Town Departments and employees and connectivity between Town operations will enhance public access and Town responsiveness.

As a result of these improvements, all of the Town's phone numbers will be changing, effective Thursday, June 23, 2016. Each department will have its own direct phone line and each employee will have a new extension number.

Below is a list of the new department phone numbers:

- Administration - (760) 965-3600
- Airport - (760) 965-3620
- Community and Economic Development - (760) 965-3630
- Engineering - (760) 965-3650
- Finance - (760) 965-3660
- Public Works Yard - (760) 965-3680
- Parks and Recreation - (760) 965-3690
- Police Department - (760) 965-3700

The new VoIP system will replace the Town's 20-year old Nortel analog phone system which is no longer supported, difficult to maintain, and not interconnected between Town locations. The new system furthers the Town Council's goal of using enhanced technology to improve Town operations, enhance customer service, and reduce costs.

Please be patient with us while we transition to our new system. For a full list of employee phone numbers, please visit our website at www.townofmammothlakes.ca.gov.

Important Information for Verizon Customers

As of April 1, Verizon customers in California, Texas, and Florida will now be serviced by Frontier Communications. Residents should expect to have the same exceptional FiOS TV, Internet, and phone service from the new telecommunications provider.

Existing Verizon customers can request more information regarding their Internet service provider transition by clicking on this link: <http://internet.frontier.com/fios-network-acquisition/>. If you have questions regarding establishing Frontier service or

switching to Frontier from your current service provider, please click on the following link: <http://internet.frontier.com/California/>

Town's Owner-Occupant Housing Rehabilitation Program

California Department of Housing and Community Development ("HCD") has awarded the Town of Mammoth Lakes a \$186,047 grant to administer a Housing Rehabilitation Program. Mammoth Lakes Housing, Inc. (MLH) as the "Program Operator," will administer the program. The funding may be used by property owners to update homes, attend to deferred maintenance, and address energy efficiency.

Property owners in Mammoth Lakes can benefit from this subsidy in the form of deferred payment loans, below market interest rate loans, and grants. Owners may use program funds to rehabilitate their home for the following eligible improvements:

1. **Correct health and safety issues;**
2. **Converting to current Uniform Building Code;**
3. **Energy conservation improvements;**
4. **Extension of useful life** (includes repairing siding, sheet rock, painting, new flooring, new cabinets, new interior doors, gutters and foundation upgrades and repairs); and
5. **General property improvements.**

To qualify for program funding, an existing homeowner must occupy the home and the household income must be equal to, or less than the following:

1 person	\$43,250
2 person	\$49,400
3 person	\$55,600
4 person	\$61,750
5 person	\$66,700
6 person	\$71,650
7 person	\$76,600
8 person	\$81,550

Units must be located within the Town of Mammoth Lakes in order to qualify for rehabilitation funds. General property improvements that enhance the overall exterior appearance of the property will be limited to 15% of the rehabilitation loan amount.

Funds will be allocated on a 'first come, first served' basis until all funding is exhausted. All interested Mammoth Lakes property owners are encouraged to immediately contact Mammoth Lakes Housing for additional information, eligibility requirements, and an application.

Eastern Sierra Transit Expands Mammoth Express Route!

Eastern Sierra Transit is making your commute between Bishop and Mammoth a little easier. Starting Monday, July 6, 2015, there will two additional runs on the Mammoth Express route to accommodate an 8 to 5 work schedule in Mammoth. The bus will depart Bishop Kmart/Vons Center at 6:50am. There is a 5:20pm and now 7:00pm departure from Mammoth to accommodate those who may need to work a little later or want to stay in Mammoth for dinner.

The new departure times are:

North from Bishop - Kmart/Vons			
6:50am	7:30am	1:00pm	6:10pm

South from Mammoth - McDonalds			
7:50am	2:05pm	5:20pm	7:00pm

The Mammoth Express also stops at Tom’s Place (by request only) and at the Crowley Lake Community Center. All busses have bike racks available on a first come first served basis.

Commuting with Eastern Sierra Transit is very economical. There are several pass options available to reduce the cost of commuting even further. Discounted one-way fares and 10-puch passes are offered to seniors 60+, disabled, and youth 5-16.

MAMMOTH EXPRESS FARES

		Adult	Disc	10-Punch	10-P Disc	1 Week	2 Week
Bishop to:	Mammoth	\$7.00	\$6.00	\$63.00	\$54.00	\$52.50	\$98.00
Tom's Place to:	Mammoth	\$4.00	\$3.50	\$36.00	\$31.50	\$30.00	\$56.00
Crowley to:	Mammoth	\$3.00	\$2.50	\$27.00	\$22.50	\$22.50	\$42.00

Contact ESTA at 760.872-1901 ext. 20 for more information or visit the website at www.estransit.com

Sierra Conservation Project and Town of Mammoth Lakes Partner to Expand Condominium and Business Recycling Program

The Sierra Conservation Project, Inc. (SCP) and Town of Mammoth Lakes are pleased to announce the expansion of the current condominium, commercial and recreational area recycling programs in the Town of Mammoth Lakes.

“This long-standing and successful partnership between the Sierra Conservation Project and the Town enabled us to submit and receive a substantial \$108,000 CalRecycle grant to expand on-going recycling programs within the community that benefits our residents, visitors and wildlife,” stated Peter Bernasconi, Acting Public Works Director for the Town of Mammoth Lakes.

The Sierra Conservation Project is working in partnership with the Town of Mammoth Lakes and the Department of Recourses Recycling and Recovery (CalRecycle) to provide an additional 30 bear proof containers to the remaining Condominium complexes in town that currently don’t have a recycling program in place. In addition, CalRecycle grant funds will enable SCP to upgrade all commercial bear proof containers at restaurants, bars and other business locations in town, including the enhancement and placement of recycling infrastructure in the Lakes Basin and at key park locations in Mammoth Lakes, such as the Whitmore Recreation Area and Shady Rest Park.

Recyclable materials make up a large percentage of the waste produced in our residential complexes and businesses,” stated Brian Robinette, owner of SCP.

"These community-based programs aim to divert recyclable materials from our local landfill, while also educate our residents and visitors on the need for convenient recycling programs. We are confident that by providing start-up infrastructure for these complexes and businesses it will help make program implementation affordable and reduce the environmental impacts of each resident and guest," said Robinette.

To register for the Condominium Recycling Program, please visit www.recyclesierra.com or www.Townofmammothlakes.ca.gov.

For additional information on the **Condominium and Business Recycling Program**, please contact Sierra Conservation Project at (760) 914 0115 or e-mail Brian@recyclesierra.com.

Would You Leave A Loaded Gun on the Floor?

If you have children in your home, hopefully you would not! However, a new threat to the health of our children is emerging. These are e-liquids, sold legally in stores and online in small bottles that may be carelessly and casually left around the house, used for the regular re-filling of e-cigarettes.

The danger is from the nicotine content in these vials of "juice". Children can happen upon a vial and ingest it. These fluids come in flavors and bright colors that are attractive for kids – cotton candy, cherry, chocolate, and bubble gum among others. In addition, nicotine is absorbed through the skin, presenting a risk from a broken vial.

Electronic cigarettes, called e-cigarettes, are drug delivery devices originally designed to look like regular tobacco cigarettes. Now they are larger reusable gadgets that can be refilled with liquid, generally a mixture of nicotine, flavorings, and solvents. It is estimated that roughly four million Americans use these battery powered devices. They have been hailed by proponents as a way for addicted smokers to get their nicotine fix without sucking in the thousands of carcinogens found in traditional cigarettes.

However, the evidence of their effectiveness in assisting persons in weaning off their nicotine addiction is less than stellar. In addition, evidence is rapidly mounting that they are serving as a "gateway" for young teens into the world of nicotine addiction. A recent study found nearly 1.8 million youth had tried e-cigarettes, and the number of middle and high school e-smokers doubled in one year. No wonder the industry targets the young who will be potential customers for decades to come! Their goal – to have the number of e-smokers quadruple in the next few years.

So how bad is the risk of exposure? Nicotine is a naturally occurring powerful neurotoxin, and in its potent liquid form, can be ingested or absorbed through the skin. Tiny amounts can cause vomiting, seizures, and even death. A teaspoon of even the highly diluted liquid can kill a small child.

A dose of 50 to 60 milligrams (mg) is potentially fatal for an adult; a 30 pound child could die from 1.36 mg. A vial of e-juice as commonly sold in retail stores is 17 milliliters, and with a 2.4% concentration would have 408 mg of nicotine. This year it is estimated that 1 to 2 million LITERS of liquid will be sold, much of it on the Internet. A liter of 10% concentration costs about \$110, a gallon \$195, and one company even offers a 55 gallon drum!

Nationwide, reports of accidental poisonings linked to e-liquids in 2013 jumped 300% from 2012, and is on pace to double again this year. Most cases are under the age of 4. A shop owner says that "We tell them that this stuff is poisonous. We do everything we can to protect the consumers, but at the end of the day, you leave a loaded gun on the floor, and your child gets hold of it, it's not gonna be the gunmaker's responsibility." A CEO of e-cigarette franchises says "It's the wild, wild west right now." There is no FDA regulation so far. So at the moment, if you are a user, your child has to go no farther than your own home to find a lethal dose of poison. Be aware of the risks, and keep vials out of reach. You are responsible for the safety of your children.

Mammoth Lakes Police Department Implementing Reserve & Volunteer Program

In an effort to off-set some of the impact resulting from the loss of 7 sworn officers, the Mammoth Lakes Police Department has been moving forward on developing Reserve and Volunteer Programs, and evaluating various forms of technology to help make the MLPD more efficient and effective. The following are some of the programs the MLPD is moving forward on:

RESERVE OFFICER PROGRAM

On February 6, the Town Council approved the establishment of pay scales for Reserve Officers. The pay will be:

- Level 1 Reserve - \$25/hour
- Level 2 Reserve - \$23/hour
- Level 3 Reserve - \$20/hour

Providing pay for Reserve Officers will make the MLPD competitive with other local agencies that have reserve programs and serve as a recruitment and retention tool.

Anyone interested in learning more about the MLPD Reserve Program should contact Sergeant Marc Moscovitz at (760) 934-2011.

VOLUNTEER PROGRAM

Many police departments benefit from active volunteer programs where trained volunteers assist police personnel by staffing front counters, completing reports, and providing community patrols. Retired Sergeant Karen Smart has agreed to manage the MLPD's volunteer program. At some time in the future, information will be released about the types of volunteer work available and the selection criteria. Anyone interested in volunteering with the MLPD should be on the look-out for a news release announcing the start of the program.

TECHNOLOGY

The MLPD is moving forward with technological advances on several fronts. They include:

- An on-line reporting system where certain crimes can be reported on-line.
- An on-line crime and traffic report purchase program where victims of crimes and parties in traffic collisions can purchase copies of reports on-line.
- Access to surveillance cameras at the North Village.
- Surveillance cameras at the Volcom Brothers Skatepark.

The MLPD is also exploring other technology that will make the Police Department more effective in addressing crime, the fear of crime, and quality of life issues.

Free, Real-Time Property Information Now Available!

The Town of Mammoth Lakes and Mono County are proud to present ParcelViewer, the Town and County's official web-based property information system. This free, public, on-line service can be relied upon to provide convenient, accurate and up-to-date information, based on the official Assessor's data-base. Use ParcelViewer to view and print customized parcel information and maps, including:

- Zoning Information
- Property Addresses
- Complex Names/ Condo Unit Numbers
- Parcel Lines*
- Valuation Data
- Acreage
- Aerial imagery of surrounding properties and more!

Visit Parcel Viewer today at <http://gis.mono.ca.gov/parcelviewer/>

Transient Occupancy Tax (TOT) Frequently Asked Questions

Some of the most frequently asked questions about legal rentals and Transient Occupancy Tax (TOT) are:

What is a transient rental?

A transient rental is any unit that is occupied for the purpose of sleeping, lodging, or similar reasons for a period of 30 consecutive days or less in exchange for a fee or similar consideration.

Can I rent my unit as a transient rental?

Only some zones within the Town of Mammoth Lakes permit transient rentals. The following zones permit transient rentals:

- RMF-2 (Residential Multi-family 2)
- CL (Commercial Lodging)
- CG Commercial General)
- R (Resort, including master plan areas)
- SP (Specific Plan, including North Village and Clearwater)

This list is intended as a guide only. Although the above zones permit transient use generally, other regulations, such as those found in master plans, CC&Rs, or project conditions of approval may prohibit transient rental within a particular development. Generally, transient rental of single family homes is prohibited. A zoning map can be found on the Town's website.

What is transient occupancy tax (TOT)?

Transient occupancy tax, or TOT, is a 13% tax that is charged "for the privilege of occupancy of any transient occupancy facility." The tax is required to be paid to the operator of the transient occupancy facility at the time the rent is paid. It is the operator's responsibility to remit the TOT to the Town.

Do I need to pay TOT?

If you are renting your unit as a transient rental, even if it is only for one weekend a year, you need to pay TOT. This includes single family homes and other units that are not permitted to rent nightly, but may be doing so illegally. TOT shall be remitted for each night the unit is rented.

Do I need a business tax certificate?

Yes, if you are renting your unit on a transient basis.

Do I need a transient occupancy tax certificate?

Yes. You are required to purchase a transient occupancy certificate for each rental unit to post in your transient rental property. This is included as part of Schedule E or F in the business tax certificate application.

What is the difference between a business tax certificate and a transient occupancy tax certificate?

Business tax is an annual tax and is required for all business activity. The transient occupancy tax certificate is a one-time purchase that is non-transferable. This certificate is required to be posted in your transient rental unit.

Do I need a business tax certificate if all of my rentals are handled through a reservation company?

If all of your rentals are handled through a reservation company, most reservation companies will purchase the transient occupancy tax certificate and collect and remit the TOT to the Town. You may wish to check with your reservation company to confirm that this is being taken care of. If you rent your unit by owner in addition to renting with a property management company, you are also required to obtain a separate business tax certificate and transient occupancy tax certificate.

How do I apply for a business tax certificate?

The Town's website contains information regarding business tax certificates, including an application for a business tax certificate: <http://www.ci.mammoth-lakes.ca.us/index.aspx?NID=182>. Transient Rentals fall under schedule F for condominium rentals and schedule E for hotels, motels, lodges, and campgrounds. This application can be mailed back to the Town, or submitted in person. The total cost for one unit is \$118.00 (\$65.00 application fee, \$5.00 planning review fee, \$25.00 fee to rent one unit, \$23.00 TOT certificate fee). Additional costs apply for additional units. Business tax certificates are required on or before the first day business commences; penalties will apply for late filings. If you have additional questions regarding this process please contact the Finance Department at (760) 934-8989 ext. 273.

Do I have a business tax certificate?

To find out if you have a valid business tax certificate on file, please contact the Finance Department at (760) 934-8989 ext. 273 or your property management company.

What is illegal rental activity?

Illegal rental activity is any rental activity that is not consistent with the Town's Zoning Ordinance, or any rental activity that is not compliant with the Transient Occupancy Tax Ordinance. This can include transient rental of units located in zones that prohibit transient rentals. It can also include transient rentals in a zone where it is permitted, but when the TOT is not remitted to the Town.

How can I report illegal rental activity?

If you suspect illegal rental activity, you may submit an anonymous tip via the Town's TOT hotline at (760) 934-8989 ext. 275 or on the Town's website via the Transient Occupancy Tax information page. Please include any information that you have that would substantiate the claim, along with the property address and owner's name if you have it. You may also email tot@ci.mammoth-lakes.ca.us. Note that emails are not anonymous, however, staff will do its best to keep your information private.

Questions & Anonymous TOT Hotline

If you have questions about TOT enforcement, or if you would like to report suspicious activity or rental advertisements please contact our anonymous hotline. The Town will follow-up on any reports submitted. The Hot Line Number is (760) 934-8989 ext. 275 or email your information to: TOT@ci.mammoth-lakes.ca.us.

Register for CodeRED

Residents of Mono County can register their cell phones to receive emergency CodeRED (reverse 911) alerts from Mono County. This is a county public service available to all Mono County residents so please tell your friends and neighbors in Mono County that they can register for this service. CodeRED announcements are for personal notification and will not replace CERT CAHAN notification. Here is how to sign register/sign up using the INTERNET:

- Go to monosheriff.org
- Scroll down left side panel to CodeRED community notification system;
- Click on it and follow directions.

Town Outdoor Lighting Ordinance

In 2003, the Town implemented an outdoor lighting ordinance to eliminate light pollution and preserve views of our starry skies. The outdoor lighting ordinance was adopted to encourage residents to administer a lighting system that not only promotes public safety and night-time ambiance but to maximize energy conservation. To eliminate glare and light trespass into neighboring properties and roadways, the outdoor lighting fixtures on your property should be shielded and re-directed to shine downward or changed out to a lower wattage. More information about responsible lighting can be found at www.crlaction.org.
